Aloha! I love these islands and like you, know what the Sprit of Aloha means from being born and raised in Hawaii of Filipino and Hawaiian descent. My devoted mother grew up in Kalihi. My hard-working father immigrated from Pangasinan, Philippines.

I am an educator, health professional and businessman, and a proud 16-year employee of Aloha Airlines. I have served as a Marketing Consultant, a State-wide Health Career Counselor and Minorities Program recruiter. My hobbies include being a radio and on-site personality for KCCN FM 100 and UH Athletics.

My wife Tammie is a graduate of the Kamehameha Schools and the UH-Manoa, and is employed by Child and Family Service. We are proud parents of our miracle son, David Nainoa Kiyoshi Visperas.

My pledge is to work with you to ensure a brighter future for our community. I am committed to supporting:

Quality Education. Important are a well-balanced education, how our school system works, and the needs of our youth gained from my experience as a high school counselor; and I have administered programs to assist our public school students toward entering college.

Accessible Healthcare. My education in public health and nursing from the UHM will help me assess and provide for health care needs, particularly for our seniors.

Strong economy. Our community needs well paying jobs. My experience in the travel, sports and marketing industries has provided me with a keen awareness of what's needed to support our local economy.

I pledge total devotion to earn your vote!
